

Help Us Improve OpenMRS Translations!

OpenMRS is built by and for a global community, and your feedback helps us ensure that our translations are accurate, clear, and culturally appropriate. Whether you've spotted a typo, encountered a confusing phrase, or have suggestions to make the language more natural, we want to hear from you.

Your input helps us improve the experience for health workers, patients, and communities around the world.

Please share as much detail as you can so we can address the issue effectively. Thank you for contributing to a more inclusive and accessible OpenMRS!
